

### 2008 Back to School Fun Day

Here are some pics of our event held on September 6<sup>th</sup>. In spite of the threat of rain from hurricane Hanna we had over 50 kids and about 30 parents show up through out the event. This gave us an opportunity to introduce ourselves to the neighborhood and talk with the parents to find out their concerns and needs. The kids had a blast as you will see with lots of laughs and smiles!
