

Instructions to Sponsor a Blanket & Coat Drive

Dear Friend,

Thank you for your interest in sponsoring a StreetLight Blanket & Coat Drive to help us minister to those living on the streets. Sponsoring a drive is simple!

All you need to do is –

1. Contact me by e-mail with your Group name and address, a contact name and phone number that you can be reached at for confirmation of this drive.
2. Pick a date or time frame that you want to collect the items.
3. Decide on a Drop-off location for people to bring their donations and a place to store the items until your drive is over.
4. Get the news out to your group or congregation that you are sponsoring a drive by announcements, putting it in your bulletin and handing out flyers.
5. Put up posters wherever you can.
6. Collect the items.
7. When the drive is over contact me to make delivery or pick up arrangements with us.

It's that easy!

I look forward to hearing from you. May the Lord bless your work for Him abundantly!

In His Service,
